Thank you to those that traveled from out of town - mainly Bozeman & Red Lodge.

Ken Decker

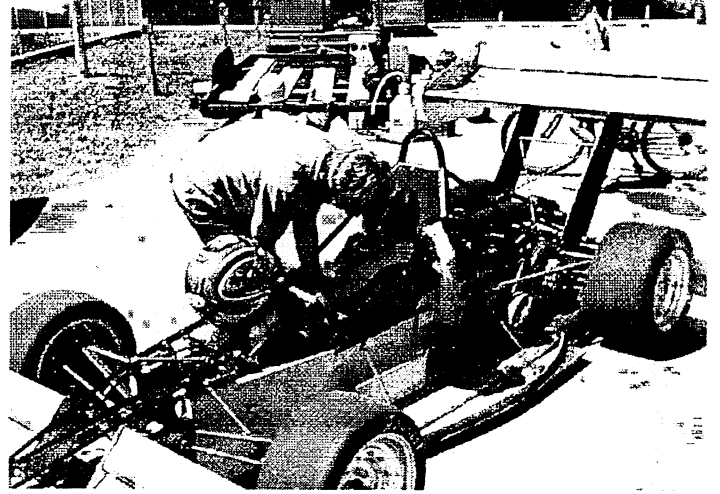

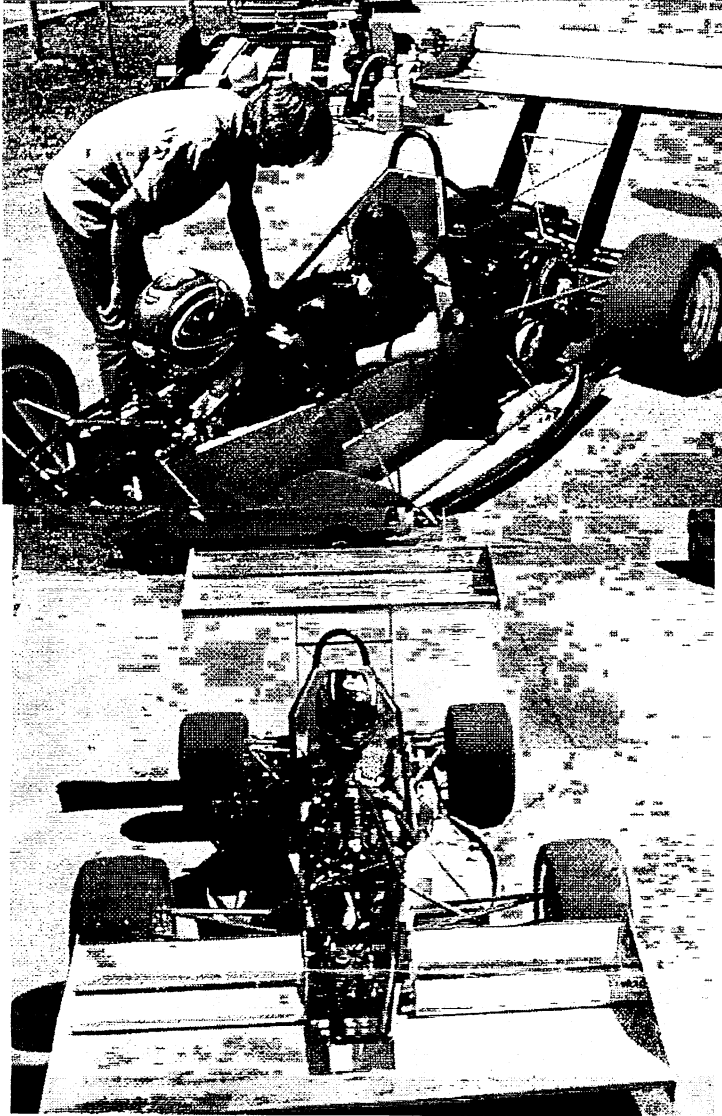

Cal Craner is now the Chapter Executive for EISCC (Idaho). Welcome aboard Cal & we expect to see some comments from you for the newsletter. Likewise from Bozeman. I'm not sure who is acting as head of that group, but if it is Dennis Hoeger, I know I can get regular comments from him. I would like to have the results for all of Yellowstone Region Events in the newsletter. I just need someone to send them to me. Once I receive them they go on the Web Page thanks to Rich Borsheim. We could even have a Bozeman only page as well as a EISCC page if I can get articles & results. Think about it & let me know.

SAFETY SAFETY SAFETY

Those of you who are rebuilding over the winter need to take extra caution in your garages. When operating those space heater & wood stoves remember to ventilate properly. Make sure everything is turned off before you leave the garage each evening so you don't get any surprises in the middle of the night. Keep yourselves & families safe over the winter.

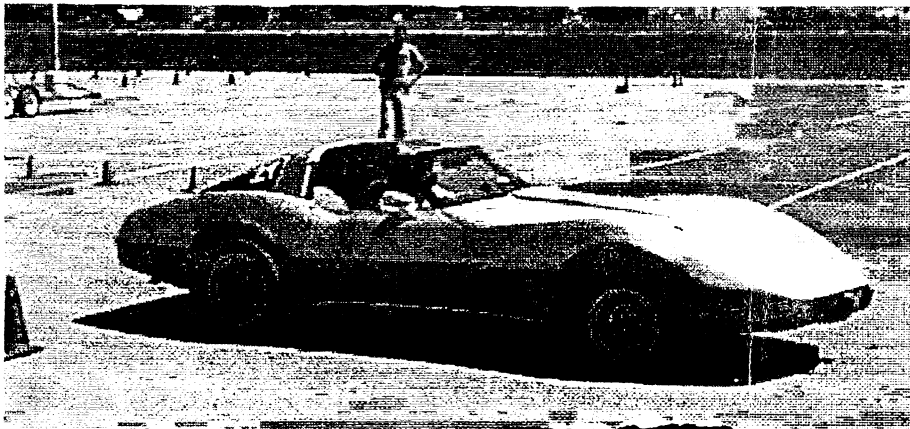

The new insurance rules need to be taken very seriously. We have to get those audits to SCCA within 30 days or have a \$250.00 fine. I guess it's a new duty for our Competition Chairmen. Do you

It takes some help getting ready to race, as Dwight & Kristi Gilliland demonstrate.

The thunder Chicken rides again with Jim Arnett at the wheel.

Gordon Gollohon's Vette is always special. Fast too!!!

All these pictures were taken at the Lockwood Event.
