METRA - JULY 11, 2004

It's set, the upper lot of the Metra is booked for July 11, 2004. Mark your calendars and get ready for some great Solo II.

The course will be set up much like a divisional, two totally separate courses. You will run one course and cross over to the other side and run that course, then back to the first side and do it all over again. We will have computer timing on both courses. The cost will be in the \$25-\$35 range. So plan for it and come down and have some fun.

We will have as many runs as the day allows. People had so many runs last year they got tired and went home. Hope to see you there!!

MEETING MINUTES

Minutes of Yellowstone Region Meeting 7-Jan-04

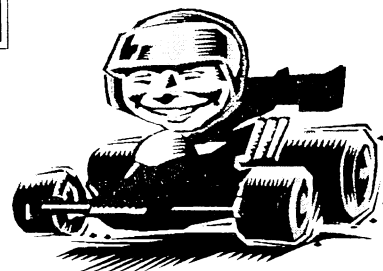

Meeting was called to order by RE Ryan Coler. The treasurer's report was distributed and accepted. Minutes were approved as published in Fast Times.

Ryan discussed getting a new website using FrontPage for editing; we will have to pay for the domain name. Access to edit the website will be given to the Board of Directors and newsletter editor.

Old Business: Comp Chair Tammy McCollough reported that the Metra is waiting on paperwork. Kurt Schulz emphasized the need to get this firmed up ASAP and to get out notice of the event to maximize attendance. Kurt also stated that we need to load the timing software into another computer; Mark Richlen offered the use of his laptop. It was decided to list the old timing system on EBay. Fred Magers said that the medical oxygen facility parking lot on 24th. is available to us for an event, we need to set a date. Tammy reported that the drivers school deposits need to be into the club by 15-Feb 04.

Minutes continued on pg 2

From your RE

From the RE:

Hey all. Sorry for missing my column last month-I've had quite a bit of stuff going on. Mostly waiting for all this snow to disappear so we can get back at it. For those of you who figure out the fastest way to get through the grocery store, and get upset with yourself for misjudging an apex while turning onto Grand Ave, have no fear, our new season is almost here!!! Looks like we've got a go on the medical lot site-see Tammy's column for more info.

On a side note, how many of you have noticed that driving at our events has improved your daily driving? I've noticed it a lot, especially in wintertime. I have always considered myself a decent driver, but more and more I've noticed myself looking a little farther ahead in the road, looking for any obstacle that might get in my way. I'm much more attuned to others on the road, and I attribute that to SCCA. Always planning ahead to avoid problems. So remember, drive safe so you can enjoy our upcoming events!

Ryan Coler, R.E.

Minutes from Pg. 1

New Business: The Secretary/Treasurer was instructed to do the following; order five SOLO II Rule books when the 2004 editions are available, make an inventory of the paperwork in the timing trailer, obtain a permanent license for the trailer, and order 2004 helmet stickers and wristbands. Tammy is looking into scheduling an event the last week of January.

Dennis McCollough motioned that the meeting be adjourned.

Mark Richlen, Sec./Trea.

SOLO II - FEBRUARY 22, 2004

The (tentative) event for Feb 22 is at the Medical Building behind Barnes and Noble and Golden Corral (turn in like going to Golden Corral its behind the building that you are facing, straight ahead). Be sure to check with Tammy the day before, if the weather is iffy 861-2268 or 252-9687.

JIM KINSER EVO DRIVING SCHOOL

Deposits of \$100.00 are due to Tami McCollough or Mark Richlen by February 15, 2004. Limited to the first 12 people who get their deposits in. Make checks payable to Yellowstone Region SCCA. Any questions, call Tami 861-2268.

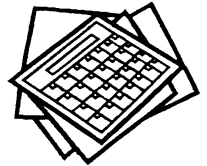

Competition Chairperson

The schedule is filling in fairly well, so far. I am still working on the driving school location. There is a possibility that it will be in Lewistown so we will have the benefit of a small, slower, more technical course (between the dragstrip and the training area) and the faster paced road course. I am still really hoping to get it at Skyview, though. Unfortunately, I won't get an available date until March. I promise to keep you updated as info comes in.

I've had some help from Mike over in Miles City to scout some potential sites over in that area and have contacted Rick in Colstrip to see about scheduling at the school over there. I am also still working on the potential site in Red Lodge (thanks to Mark) and Columbus.

For the autocross scheduled for late in February, this will go on rain or shine, UNLESS the weather is severe (which, for me, is less than 75 and sunny). If there is a wind-chill factor in play or below 32 degrees, it may be cancelled so be sure to call the day before to be sure its still on. 861-2268 or 252-9687

SAFETY SAFETY SAFETY

Oh boy did we get it this time.....cold weather....I mean cold! We got hit by a Canadian cold mass that sent temperatures and wind chill to below zero. It's hard to keep warm in that kind of weather. We also got a bit of snow with it. Some areas got a lot of snow. Dress for the chill and pray for warm weather, then we can gripe about the heat!! Drive carefully and drive safe, racing is just around the corner.
