The March meeting was called to order by Comp Chair, Jim Arnett. The minutes were approved as printed in the last newsletter.

OLD BUSINESS

Pat Polk talked with Metra-park organizers about the possibility of securing the upper lot for one or two (possibly night) events. Pat has a meeting with Bill Chiesa to discuss further arrangements.

Kurt Schulz reported on the BMP meeting. The bids are "in the mail".

New Business

There has been discussion about setting a time limit for registration events. It will help to give you more seat time if the drivers were to be signed up no later than 9:45 a.m. If your late, then you will have to wait until the lunch break in order to register (and hopefully find me to sign you up and collect fees) in time to race in the afternoon. I will NOT be stopping the events

OLD BUSINESS cont.

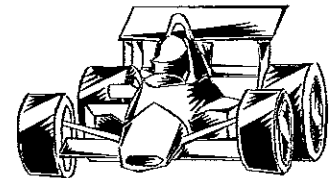

I have placed the order for the 1999 rule books and forms. As of yet, I have not received them. When I do, I will contact those of you who placed orders with me.

I'm still in need of articles and such for the newsletter. (Fit to print of course) Send them to the P.O. Box. If I don't receive anything, then I can't really print anything worth reading.

I have enclosed a tentative racing schedule for the 1999 racing season. These dates are still subject to change.

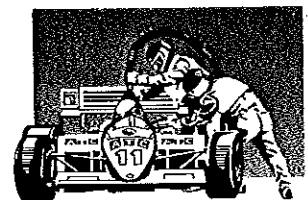

to register ANY drivers. This is unfair to those who did show early and are ready to race.

We also need people to help spread flyers to the homes around Skyview for the May 16 and Aug 8 events. Contact any of the board members for more info.
