SKYVIEW HIGH SEASON FINAL AUTOCROSS

September 24, 1995 started out being a cold windy morning. Thanks to Dale, Dwight and Dave for brining out the equipment. After lugging about fifty cones or so to various locations throughout the lot, a very simple looking race course emerged, but for the killer, an extremely tight shut down area beyond the finish. This added feature would make people exercise precise care exiting the course. I asked Rich Hardy what he thought about my diabolical idea. He said, "This looks cool".

As it turned out, our Bob "the intimidator" Grummett took fast time honors for full bodied cars with, get this, Rich Hardy only two tenths behind him. Mike Atkinson owned C Stock by over three seconds and Bill Schaff claimed the fast time to beat on his first run. By the end of the day Bill removed 1.4 seconds more. 4 x 4 driver Dennis Waldron tried to beat Bill in his own car, failed, but for his first time racing came out all smiles! Dennis Hoeger was the most accurate driver as he won top honors in the break-out contest. Congratulations to the other prize winners as well. The computer survived a transcendental nervous breakdown while trying to get the times sorted out and we managed to do just that, sort them out. We were able to enjoy a fabulous feast that was held at the Hager's place. We would like to thank Dick and Donna for hosting another SCCA dinner gathering it was nice of them to offer us their home. Your a good cook Donna! As an added bonus we tried to make John Small's birthday a special occasion too! We all really enjoyed the day and thanks to everyone who pitched in to help it was a fun event for all who were there.

YOUR R.E.'s REFLECTION ON '95

It's election time! The schedule for the rest of 1995 is empty. The ground has been white. Six months to reflect and look forward to the first event of 1996. By March the thought of the first event will start an adrenaline rush, it is exciting to contemplate.

1995 was another good year for the Yellowstone Region, a year of progress. It was a very busy year for the active members, but a rewarding one, for it bore much fruit. Lets take a moment to reflect on our accomplishments and bask as it were, you have earned this time of enjoyment.
