## SHOULD THE GO-KARTS RUN WITH SCCA?

Well here is your chance to voice your opinion about a subject that our region has mixed feelings about. It seems that this year we introduced go-karts into our races. We had mixed feelings about them and they need to be addressed. If you feel

you don't have enough room or would like to add more comments feel free to do so on another page. We will print the results in December's newsletter.

Do we leave things the way they are being ran now?  Yes  NO

Should we have a go-kart school and sign up be on a different day other than race day?  Yes  NO

Should the go-karts run independently with their own timing, cones and site other than with Solo II?  Yes  NO

Do you think that the go-karts should run with SCCA Solo II events?  Yes  NO

What restrictions would you put on the go-karts for them to be able to run with us? Age, etc...

How would you run an event differently if go-karts were to run at Yellowstone Region Solo II events?

What are your true feelings about go-karts running at events

## GETTING RACY AT WAL-MART ~ LAST EVENT '98

The last race of the season and wow what a great course and turnout too! The course was a new one for an SCCA event and as you know Wal-Mart parking lots are large and we got a fairly good chunk! Spectators were out and about checking to see what the squealing tires, laughs and clapping of hands were about. Personally I think it was a relief for the guys who would rather have watched us race than go shopping with their wives. I hope we get this lot for race next year because of it's size and opportunity for the public to see our organization in action.

As you look at the times you will notice a morning and afternoon time. This is because we changed the course after lunch to add more variety.

A big thank you to all who helped block off the parking lot and setup and tear down the course and to Cybil Layton who has been timing at the last few events. Without the help of everyone we wouldn't have been able to put on this race.

## '99 NOMINEES

It has come to the end of the 1998 race season and it is time to hold nominees for offices. If you would like to volunteer for an office, know someone you would like to volunteer for an office or would like to decline when somebody else volunteers you, show up at the November 4th meeting at 7:30 Bruno's Italian Restaurant on 1st Ave. Our club needs all the support of it's members if we are to keep the race fever alive.
