From your RE

Ryan did not give me a column this month...so..you have to read me.

This is my last newsletter. Next month we will not have a meeting so I will send a postcard reminding everyone about the Christmas party. I have done the newsletter for about 6 years this time around. It can be a tedious job, but also a fun one. You can be frustrated at times then things turn around. I have enjoyed doing it this last six years, as I did the first time I did it for about six years.

As most of you know I haven't been in the best of health this last year and doing the newsletter has been a real chore and stress that I don't feel I need at this time. I had hoped to put the lung problems behind by now, but that hasn't happened and I need to direct my energy to staying well.

Tammy McCollough has agree to give the newsletter a try and I'm sure with energy she puts into all she does, it will be a good newsletter. The one thing she will need is your help with articles and support when she asks. So if she calls and asks for help folding, labeling, & stamping the newsletter, please say yes. Her first newsletter will be the January issue. Good luck Tammy!

Dave Eberts sold his race car in August. It went to a good home with Marty Westland of Bozeman. But Dave without a race car is like a peanut butter sandwich without bread, just doesn't compute. Well we wish Dave well, now that he's faced the big "60" and hope that he remains in contact with Yellowstone Region. Can you spell volunteer??? Thanks for doing just that at Skyview. Char Schulz

SAFETY SAFETY SAFETY

If you don't remember how to drive on ice, just wait. It'll all come back to you the first time you hit an icy spot in the road. Yep it's that time of the year again and we want you to be careful out there. With the warm days and cold nights, some places getting moisture, black ice can be a real problem. So drive with care and be safe. Have a great Thanksgiving, Christmas and holiday season.
