December 1999

## Out With the Old and In With the New

### General Meeting 12-1-99

(1) Meeting called to order by Bobby Arnett (Assistant R.E). Board members present were Jim Arnett (Comp. Chair), Randy Devitt (Sec/Treas).

(2) Minutes from the previous meeting:  
November newsletter.

(3) Treasurer's report:  
All bills current.

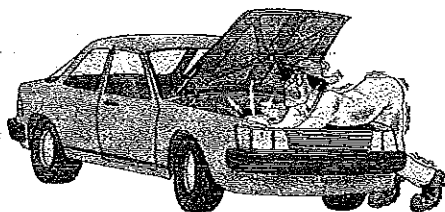

(4) Old Business:  
Elections – Announcement of the new board members located on page 2.

Tentatively Bumper-to-Bumper will provide sponsoring of the Car Show on May 6 per Jim Arnett.

Tentatively Lockwood School has approved our use of their parking lot for the May 7th autocross per Char Schultz.

### (5) New Business:

Jim suggested that we cordon off the entry to an event site to speed up the tech and registration process. We should be able to accomplish this with cones and banners and Kurt is going to check on having some signs to identify the Registration area and Tech. Possibly going to a seasonal tech sheet – your car will be teched only once and the tech sheet kept on file. Then on the entry form there will be a question if you have had your car teched for 2000 and if you have made any changes to the car since it was last teched. If your

## Time to Tinker

*Election Results can be  
found on Page 2*

car has been previously teched then you will only need to sign the waiver, fill out the registration form and pay the entry fee.

Kurt Schultz is checking into attending the SCCA National Convention.

(6) Meeting adjourned.

Many thanks to all who attended: Dave Eberts, Jim and Marcie Arnett, Kurt and Char Schultz, Bobby Arnett, Ken Decker and Randy Devitt.

The opinions expressed in this edition of Fast Times do not necessarily reflect those of the Yellowstone Region or of the Sports Car Club of America.

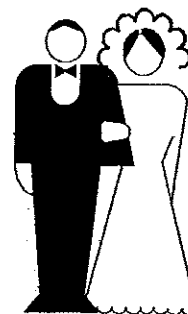

A View  
From The  
Blind Eye

Congratulations to

Chanda Hufford  
Todd Braten

and of course  
“Wahoo”  
(#44 ST)

Chanda and Todd are to be married on December 18, 6:00 pm at the Union Presbyterian Church in Powell and everyone in the club is invited.

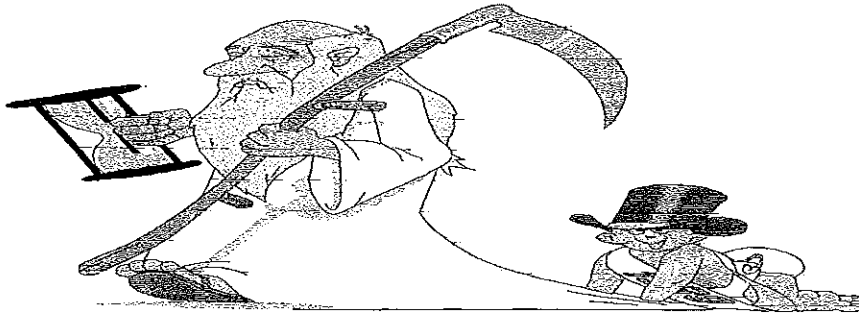

Best Wishes from all of us and now you will probably have to get a second Neon.

Cheers from,

▲ DEADCONE ▲

**Billings, MT 59107**

Those of you who attended events in 1999 should have an idea who these guys are since they were pretty active but if not here are a few notes to jog your memory. So if you see them or attend their first meeting on January 5th wish them well.

Kurt Schultz – been a member of SCCA since 1986; but been racing something or other ever since he was a kid. Operates Billings Foreign Car Service. Has some affinity towards farfignugen.

John Hailstone – been a member of SCCA since 1996. Sometimes known to drive like he is going to a fire (could be because he is a fireman). I can't say anything too bad because he drives a Triumph that actually runs and mine just throws wrenches back at me.

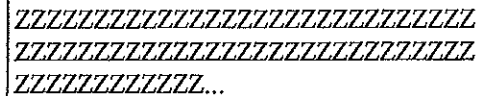

Jim Arnett – been a member of SCCA since 1997. Likes being beaten up so bad that he is back for another term. Always quite the show in his Firebird. A special THANKS for all the work Jim did last year.

Ken Decker – been a member of SCCA since 1999. Ken likes to drive his Mustang to events wherever they are so you folks in Bozeman and Wyoming have a compatriot if you can find us a site.

## Notes from the Editor

For all those folks out there that indicated that they wanted to write something for the Newsletter.

I am still waiting -

If you have something you would like to appear in "Fast Times", you can get it to me by the following ways:

Mail: Randy Devitt  
P.O. Box 22013  
Billings, MT 59104

E-mail rdevitt@aol.com

or to my alter-ego

deadcone@aol.com

Phone/fax/mesg 406-656-8367

and of course you could hand deliver anything at the monthly meetings.

I'm waiting.....

P.S. If you didn't notice I included all of the Racing Results from this last season since some of the events were not published.

Below is a proposal for a new worker assignment sheet for the coming season. Although we were rained out at the Columbus Airport event, the event run was pretty organized thanks to the efforts of Lance Hogan and Bob Grommets. Bob made sure that all of the workers were in place before we started the next run group. This is not meant to be cast in concrete but something to work with.

Work Assignment
