Meeting Minutes—March Meeting

The monthly membership meeting of the Yellowstone Region SCCA was called to order by Regional Executive Scott Cranston on March 4, 2008, at 6:22 p.m., in the GH&R Law Firm conference room.

Minutes of Previous Meeting: A motion was MS&P to accept without addition or correction the minutes of the February 2009 meeting as published in the March 2009 issue of *Fast Times*.

Treasurer's Report: Sec./Treas. J. Reuss reported recent deposits for region dues and announced the current bank balance. J. also reported that he had contacted the Solo auditor containing questions about two events in 2008 and resolved the issues. A Motion was MS&P to accept the Treasurer's Report.

Old Business: J. reported that he completed the Solo Safety Steward outline and circulated same to interested members with applications, excerpts from the rulebook, and two sample tests. Scott will contact Kurt Schulz to schedule a "classroom" session. J. provided an update regarding his contacts with MetraPark. Asst. R.E. Chris Brewer and Comp. Chair Jerod Staebler submitted the preliminary 2009 Solo schedule. (The schedule has been placed online.)

New Business: Plans were made to contact Skyview to verify available dates. Jerod will also contact YDS to firm up a date. GM Petroleum and FSA will also be personally contacted. J. will e-mail Jerod and Chris the Region letterhead for making written contacts with site owners.

A motion was MS&P to adjourn the meeting at approximately 6:55 p.m.

Fund Raisin'—by the Rovin' Regional Reporter

The Region has decided to do some fund raising this year by doing what it does best—holding autocrosses. On Sunday, May 24, 2009 (Memorial Day weekend), the Region will be putting on an autocross at Skyview High School for the 2009 Big Sky Corvette Meet "Cruizin' Time in 09." Region members who help at the event will be entitled

to take some "test and tune" runs after the Vettes have finished. Helpers and their "significant others" will also be entitled to a free post-event supper at Applebees in the Heights. Check with J. Reuss if you need more information. On Sunday, September 6, 2009 (Labor Day weekend), the Region will be putting on an

autocross for a Ford Mustang convention being held this summer in Billings. The location of this event is not yet been finalized. If you own a Mustang and would like further information, contact Scott Cranston. Similar to the Corvette event, there will be post-event "test and tune" runs for the workers and a post-event supper.

Cranston's Corner — From the RE

Kurt Schulz, the Region's only Solo Safety Steward Instructor, graciously agreed to provide a training class for 4 new Solo Safety Steward (SSS) candidates on March 25th. As soon as the District Safety Steward and National SCCA signs off on their applications, Chris Brewer, Reese Newman, Jerod Staebler, and J. Reuss will join me as the Region's Safety Stewards. Although it is nice have

this "cushion" of stewards, if any other members are interested, let me know. Further, if any of the stewards would like to become instructors, they must 2 years of experience as a licensed steward and serve as a SSS at 5 events during that time. Anyway, the long winter is about over and I look forward to seeing you all on April 19th at our first event for 2009!

The Finish Line — From the Webmaster

Please note that the April 1, 2009, Region meeting was moved—at the last minute—to March 25th. Accordingly, if you weren't there, you missed it. (Since all the club officers were at that SSS meeting, a quorum was present and a motion was MS&P to move the meeting ahead one week.) Another casualty of the long winter is that I have used up all the 2008 event photos and have re-

sorted to my personal stash to decorate the newsletter. For the benefit of the Mini drivers in the Region, I have included some photos of my beloved C-Sedan 1964 Morris Cooper. I have also thrown in photos of my 1970(?) Fiat 850 Sport Coupe (in rally trim) and my 1971 Pontiac Trans-Am 455 H.O. towin' rig and "parts chaser." Thank you all for

bearing with me over the winter when autocross news is few and far between. I promise fresh and lively coverage of 2009 events with the next newsletter. In the meantime, I am always looking for photos and stories to use. Don't be shy—please forward a note and some pics of your next car event. J.
