Year-end Party

It was a cold and rainy night..... Anyway, a few and I mean few hardy souls braved the elements and journeyed to Mark & Delia's for the year end go around. The streets and roads were like skating rinks, so many stayed home. Those that did attend had an abundance of good food and better company for an evening of bench racing and camaraderie. Year end awards were handed out. Each year we try to tease one non-member a bit and this year we picked on Bobby Arnett who found a way to share his love of Solo II with six friends.....in a seven passenger van!! The picture of this van as it's cornering is great. Next we had to poke a little fun at our new Comp Chair, Randy Roberts. Randy had a bad accident in Oct., so we gave him the "Timex" award..."He takes a lickin and keeps on tickin". We thanked Ryan Coler and Dave Marble for their contribution to the running of SCCA and events for 2006. Also a 20 year thanks went to Lance Pedersen. He doesn't Solo II any more, but his legal advise over the years has helped us over some rough spots. Lance is one of three 20 year founding members left involved with Yellowstone Region. We also had a thank you for Steve Gruver aboard his four wheeler marking the course, as he did all last year, plus other things, Thanks Steve! Scott Cranston was doing a bit of everything last year and all of those who know STRESS, knows that it was named for someone like Scott. So we gave him a stress mug, so he could drink hot drinks out if it and maybe laugh a bit more. The last of our awards was given to Mark Brown who has a secret weapon in Hoss, his German shepherd. We have picture proof of why Mark never has a pylon against him, Hoss The Wonder Dog comes out of nowhere faster than the eye can see and snatches them up. Jake Brown was given a plaque for the 2005 Driver of the Year and Kurt Schulz one for Member of the Year. Driver of the Year for 2006 was Steve Gruver and Member of the Year was Scott Cranston.
