Falcon Finale Monday, May 28, 2001

The Falcon finale will be at Skyview High School 1775 High Sierra Blvd, Billings on May 28th. The proceeds are donated to Skyview for their non-alcoholic graduation party for departing seniors. A good cause and great fun...be there!

After the event there will be a barbecue at Dale & Donna Dinsmore's, 1719 Lake Elmo Drive. The hamburgers & fixins will be furnished and we are asking for Pot Luck for anything on the side, salads, chips, dips, etc. For those out of town folks, Smith's & Wal-Mart are close so you could pick up something that goes with burgers, both places have delis, so that can help you.

Registration from 8:00 to 9:30. 1st car out at 10:00, earlier if possible. \$14.00 for members & \$22.00 for non-members. Check with event chair for more information on the 28th. See you there.

Bozeman Ice Gardens May 20, 2001

The Ice Gardens is at Four Corners. If you need directions, etc., contact Dennis Hoeger, phone # in sidebar.

OLD BUSINESS

People interested in the Points Fund may register at any event. continued on pg. 5

From your RE

For those of you who missed the first event of the season, you missed a lot of "seat time". There were only a few of us there & we got 15-20 runs if you stayed all day. Great start for the season. Thanks to Dennis for the nice open course & to all who helped out with the event.

Our next event is the Ice Gardens in Bozeman on the 20th, but you won't get this in time for a reminder. I hope many will come & join the fun. Despite Dennis M's comments, the lot is not too small. We will have fun.

May 28th will be our next Billings event at Skyview & the Dinsmore's have offered their home for a barbecue at the end of the day. Thank you! Elsewhere in the newsletter will be the details of what you need to bring. Please be prepared to make a donation to the Club for providing the meat. Our treasury is real "skinny", so be ready to do your part.

At our last meeting I was pleased that several additional sites have been researched for possible future events. Dale has been after the National Guard location & he & Dennis after the Knox Lumber. Good job guys! We always need to be looking for fresh asphalt.

LOCKWOOD RESULTS

Those of you who missed the first event at Lockwood Schools missed a great event. With only 11 drivers entered, and a short fast course, there was ample opportunity to brush up on our driving skills. The character of this event was relaxed & friendly, very reminiscent of the events from the distant past, when a handful of people would show up & just have fun.

A treat for everyone was Rick Borshiem & his Cobra Replicar. Gorgeous car done in purple - (it looks better than it sounds) lots of pure muscle. Another treat was Matt Schaffer's daughter & her bonsai runs in her battery powered #3 Chevy during breaks in the action.

In our own version of silly season, we saw a number of driver/car changes. Brian Dean was tormenting the blue Civic that belongs to Dennis McC, who was thrashing on Bill Schaff's formula car. Jim Arnett was seen first pounding the ground in Dwight Gilliland's formula car until mechanical problems sidelined it, then was rumored to be piloting Dave Eberts Little Jugs. And the whole time we were using a low tech approach to timing -- an old wrist watch (minus the band) and the tried & true pencil & paper.

On a sad note - we are losing Chanda Braten. For personal reasons, Chanda is moving to Iowa. Having never taken the opportunity to get to know Chanda until this event, I never realized what an asset she has been. Her enthusiasm & friendliness will be missed around here. Good Luck in Iowa, Chanda.

Thank you to all who worked this event, it ran smoothly & was a great time. I hope to see the spirit of cooperation & fun at all future events.
