## METRA - JULY 11

The July 11th event at the Metra should be a lot of fun. This event will be held on the upper lot of the Metra using both sides. We will use two courses, much like a Divisional/Nationals format. Dennis & Mark are designing courses incorporating ideas from National course map available to them along with some ideas published by Roger the Real of Houston, Tx. The courses will be easy to follow, the goal is minimal DNF's. At the same time the drivers will need to be thinking to get low times. This event will take a great deal of planning, coordination, and manpower to come off. Registration, tech, course set-up and tear down people will all be needed. Contact Dennis or Mark and volunteer today!!

The event set-up will start around 7:30, registration & Tech from 8:30 - 9:30. First car hopefully will be out around 10:00. \$35.00 for non-members and \$25.00 for members. We will try to get as many runs in as possible. Last year people actually got tired of running, except for Joe Bonini, he could have run til dark. Get there early and help with course set-up and stay late for tear down. See you all there.

There are still drivers who like to do their runs and leave, leaving those behind to fill in for them. If we have a large turn-out we can have a little leeway for those that just have something else they gotta do. Let's face it we all have better things to do than course watch, but part of the program is course watching. Some drivers feel that all they have to do is clear it with someone, run their runs then leave. This is not right, so stop it!! If you have something you have to go do, go before the session starts...not after you have had your fun...leaving someone else to pick up your spot on the course. With the number of events scheduled throughout the summer, we will have events where every driver is needed to cover the course. If we don't all pitch in and do our part there are going to be some hard feeling. It's never fun to watch someone run, pack their car and leave the event. When we have people from out of town with long distances to drive home, we always make an exception. But people who chronically leave just because they have something else they want to do using any old excuse.....well.....it's getting old! The rest of us are damn tired of filling in for you, get with the system and do your part.

## From your RE

Didn't receive a column from Ryan this month, he'll have one for next month.

## MEETING MINUTES

The June 2nd meeting was called to order by RE Ryan Coler. May meeting minutes were approved as printed in Fast times. The Sec/ Treas. distributed the financial report. OLD BUSINESS: Dennis McCollough moved and Ryan seconded to send \$250.00 to the Student Assistance Fund for the use of Skyview parking lot. The old PA system was discussed. Ryan moved, Dennis seconded to buy a PA speaker for the trailer. NEW BUSINESS: The problem of workers was discussed; drivers are not going out on the course and some drivers are leaving early, not working the last run group or cleaning up after the event. Scott Cranston suggested that a veteran member needs to head up each run/work group to ensure that workers are on the course. It was suggested that entrants that habitually leave early be put in the last run group. It was mentioned that more tech inspectors are needed at events. The use of two-part registration forms was discussed along with modifying the form to include the e-mail address and without the tech inspection part included. Dennis moved, Scott seconded that the forms be purchased. Dennis moved, Scott seconded the meeting be adjourned. Mark Richlen

After the meeting adjourned, Fred Magers offered to be the PR guy for the rest of the year. Thanks Fred!!

# EASTERN IDAHO SPORTS CAR CLUB

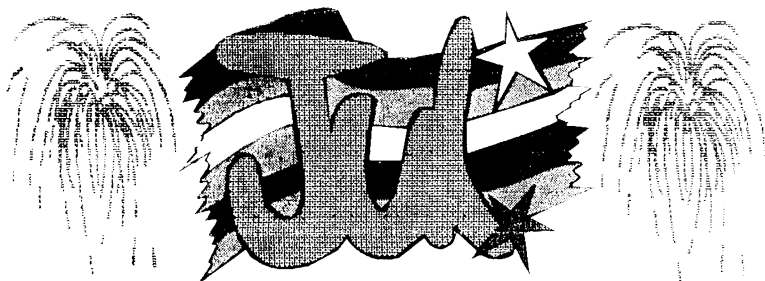

**New Club Officers - President – Joe Kremer - Vice Presidents – Sandy Clark & Carol Hibbard - Treasurer – Dave Krekel**

Club meetings are the first Wednesday of most months - February, March, April, May, June, August, September, and October. July is usually too close to the July 4th race to bother with a meeting. Meetings are held at Melina's Mexican Restaurant, in Blackfoot. The address is 321 N. Main. The meetings start at 7:30 PM. However, come at 6:30 and have dinner before the meeting. <http://www.ida.net/users/lewisr/eiscc1.html> A new web site is suppose to be coming for EISCC - the old one doesn't have results listed or any new information. If someone from Idaho would please send me the new web address, it would be appreciated. Thank you.

The Boise Region has a new web site check it out [www.snakeriverscca.org](http://www.snakeriverscca.org)  
The Utah Region SCCA will be hosting many races this year. If we don't have a race for you to go to, check them out: [www.team.net/urscca/](http://www.team.net/urscca/).

## SCHEDULE FOR 2004

July 10-11	Jerome High School	Aug 14-15	Bonneville HS	Sept. 25-26	Pocatello Airport

When changing your address, please use [membership@scca.org](mailto:membership@scca.org). include your membership number with your new address or contact SCCA, P. O. Box 19400, Topeka, Ks. 66619-0400. Toll Free 1-800-770-2055 - [scca.org](http://scca.org)

**SAFETY SAFETY SAFETY**  
With the 4th of July upon us, be extra careful of any fireworks you decide light. Make sure you are in an area free of dried grass and vehicles. Supervise all youngsters lighting fireworks, including teenagers. Keep a bucket of water and a bucket of sand handy. Remember the wood sparklers are best for the very young and use that bucket of sand for the metal ones. Be safe and have an enjoyable holiday.

Kurt found this 1955 Plymouth Savoy. which gave him some ideas for the work he's doing on his 1956 Savoy. The 55 is owned by Stan & Judy Goodwin of Casper, Wyo. Photo by Sherry Nelson, Casper, Wyo.

Kurt & I (Char) had the chance to take in the car show in Casper, Wyo. over the Memorial Day weekend. There were about 400-500 vintage, street rods, and classic cars & trucks there. Kurt met some people he has been talking to on a web site for about two years. One couple was from Colo. and the other couple was from the Billings Heights. We drove 4 hours just to meet them, when we could have driven across town. It was nice to get out of town for a bit, but we were back Sunday so we could help on the Skyview SoloII.

## FOR SALE

Mark Richlen has some old (from the 70's) Paddy Hopkirk bucket seats for sale, cheap. These were in the TR4. These are narrow seats; if your "bucket" is wider than Mark's, you won't fit. Call Mark 248-3473 if you are interested.
