October 1996

SEPTEMBER MINUTES

The October meeting was called to order by RE: Bill Schaff.

Minutes were approved as printed in last newsletter.

Old Business

We discussed the current proposals by SCCA for allowing go-karts to compete at the local Auto-Xs and how it might affect our club. We will have to see what they come up with.

Next year's schedule might have fewer events depending on how many people would like to chair those events and the availability of Auto-X sights.

Business

October 8th will be the BMP's swap meet / show and shine at The Skyview parking lot. All are welcome to enter.

The Motorsports Park will be having an event on October 19th. They have acquired an Elvis impersonator to put on a show at the Sheraton Hotel in the ballroom. Tickets are \$8 advance purchase or \$10 at the door.

RE NOTES-ELECTION TIME

Please note that all the nominee's for this years election are new to the Yellowstone Region board of directors race. Those past and present board members who have diligently filled these positions so often in the past, unanimously decided it was time for a club face lift. New people, new ideas, new attraction.

These candidates have shown their support of the club in many different ways over the last couple of years, and I can think of few others more capable of taking this club through the next season.

I would also like you to vote for the person you feel has contributed the most for the good of the

club and the sport to be awarded the Dick Hager trophy. Also vote for a new member who you feel has demonstrated the best ability as a rookie driver for the Grant Cameron award. Both of these awards will be presented at the annual Christmas party.

I ask that you vote in force for these, or any other nominee you care to write in. And please send these proxy vote's back to the clubs mailing address before the next meeting. And of course, If you live in the area, show up at the meeting and show your support.
