November 1997

## NOVEMBER MINUTES

November meeting was called to order by last year's RE: Bill Schaff

Minutes approved as printed in last newsletter

### Old Business

We are a month behind for elections, and this months meeting we had enough people to nominate for next years office. They are as follows: RE-Dwight Gilliland, Assistant Re: Jim Arnett, Sec Treasure Bill Schaff and for Comp Chair Tim O'Brien.

### New Business

Bill Witcher brought up the idea of doing a membership directory that would give information about the SCCA members. He said that the Porsche club put together one and it was real helpful to everyone. This will done in 1998 and will be a joint effort between Bill Witcher and Kristi Gilliland. Information will be gathered through a questionnaire and then we will compile all the information into a directory for members.

The Christmas party will be held December 13, and we will do as we have in the past as to bring some type of food to share such as chips, dips, nachos etc. and you are to bring your own drink. Kristi Gilliland will call around to see whose house it'll be at so please look at the invitation on the newsletter as to when and where it will be held.

## A WORD FROM OUR RE: ALAN WALKER

Thanks to all of you for a fun year of racing. I think a lot of fun was had by all. New friendships were kindled and old ones were renewed. With the 1997 race year coming to a final close we have the nominations for election in this newsletter. I ask that you vote for these, or any other nominee you care to write in. If you live out of town or can't make it to the next meeting please send the proxy vote's back to the clubs mailing address before the next meeting when we will decide who will hold what office. Also please write in who you think contributed the

most good to the club, showing the spirit of the sport to receive the Dick Hagger Spirit of the Sport award. This award will hopefully be handed out at the Christmas party or at the January meeting.

Again thanks to all the officers of the club and the volunteers that made this 1997 season a fun time. We look forward to a great season in 1998!
