

Yellowstone SCCA Meeting Minutes 04/03/18

Old business:

Minutes of last meeting and financial statement were accepted and approved

Event location list with tentative first event end of May:

Ziggy's- Good \$600 possible 2 day event

Shrine Auditorium- good

Rimrock Auto Arena- good \$900? Possible 2 day event

Lockwood School- presented to school board? \$200 2 day?

Rimrock Truck Center- Waiting for call back ( street sweeper \$150 safety)

Yellowstone drag strip- questionable with asphalt issues

Skyview- Woody

National Guard- Bill

Billings Flying Service- Bill

Airport-Bill

More discussion on advertising: Bill addressed that SCAA national flyers are free and also introduced a custom flyer for Billings and surrounding areas. Dan to ask about sponsorships. Austin expressed interest in distribution. Bill also presented samples of business cards and distributed. Billings Gazette, Enjoy section was brought up. Bill to look into radio/TV. Discussion on adding a facebook page (Fans of YRSCCA) so members can be more personally involved (photos, stories etc...). Discussion on a Twitter account. James created a instagram account.

Discussion on member recruitment: Bill addressed SCCA having a presence at car shows.(Drift trikes successful in Great Falls). Euro car show at Rocky, 406 Customs, Zipty Club. Dan offered to look into car club numbers. Also discussion on contacting past non-member entrants.

Increase in rates *Confirmed* \$5 for members and \$10 for non-members *\$35 + \$50.*

Solo Safety Stewards:

Steve Gruver- Has license

Bill Blaquiere- Has license?

Carl Jones- webinar May 10th

James Reus- webinar May 10th

Jarod Steablor- webinar May 10th

Junior Safety:

Jarod and Bill

Replacing/adding cones:

Fund Raising:

50/50 drawing, win a dyno run, tool box (Dan)

Trophies: Left over drinking glasses with old date are waste. It was suggested that certificate with frame to be awarded. Cheryl looking into frame cost.

Card reader to be ordered by Cheryl. \$49 for card reader. A \$5 convenience fee to be paid by card user.

Timing Trailer: Bill is storing? Trailer in need of upgraded wiring/ PA system. Sheetrock stickers and sticks are needed. Helmet replacement was approved (1-M, 2-XL & 1-S for \$531.88 plus shipping). Bill presented a white board for near real time tracking to be used at events. Transportation of timing trailer needs to be addressed (volunteer, rotating delivery). Also a 4 wheeler is needed. Steve Gruver and Bill have offered support until a permanent solution can be made.

Chief of Tech: Position is open. Possibly assign group of people? Yearly helmet stickers to help with inspection. Car tech sticker also discussed. Discussion of racers signing off that there vehicle has been properly/ ASC inspected. No open headers from result of past noise complaints. Possibly get a decibel meter and set a limit for entrants.

#### NEW BUSINESS:

Event day procedures. Discussed to go with a stationary grid and to run 2 groups if less than 30 drivers.

6:30am- course set up

7:45am- competitors should have arrived

9:00am- Drivers meeting (Junior cart drivers to have additional meeting)

9:30am- Competition to start

Look for new drivers and help them out, give advice and make them feel welcome. Newcomers need to ride with someone 1 time and drive with someone 1 time. If entrants miss drivers meeting then they can not register. Buckets to have fire extinguisher, red flag, orange vest, sheetrock stick and radio. Dan to check price of extinguishers. Also see attached Race day procedure for more.

Next newsletter: At least 1 week before event. RE column (from the top). Comp chair column (The course is hot). Suggested topic: Basic rules Height to track ratio 1:1 as per Section 3 of Solo events section. Webmaster ( the finish line)

Set next meeting:

Day *May 1st*

Time *6:00*

*Apex*
